Plant Availability List

Updated October, 2009

The following lists all plants currently growing in our nursery along with the container size and price. As we are a small producer, quantities may be very limited and subject to prior sale. We invite you to inquire by email to verify that the numbers of plants of the size you desire are available. Our address is jaczav@europa.com. Prices are for plants picked up at the nursery. For mail order, please inquire by email and note the shipping destination. We will reply with a confirmation and a quote for shipping costs, and will ship upon receipt of payment by check or money order. Plants reserved by email for pickup or shipment must be paid and picked up or shipped within three weeks of confirmation.

We open our display garden and nursery to visitors during several scheduled weekends from March through October. At other times we invite you to contact us by phone or email for an appointment to visit. Phone number: 503-662-3704
