

# Arbutus Garden Arts Plant Availability

Updated June, 2021

The following plants are currently available from our nursery along with container size and price. As we are a small producer, quantities are limited and subject to prior sale. For mail order, please inquire by email at [jaczav@europa.com](mailto:jaczav@europa.com) and be sure to include your mailing address. We will reply with a tentative invoice including shipping, and will hold plants for two weeks pending receipt of payment by check or money order. We confine shipping to Spring and Fall to minimize plant stress, and will ship on the Monday following receipt of payment unless requested otherwise.
